Mr. Speaker, today I ask my colleagues to join me in honoring the life of Juanita Haugen, who passed away on March 28, 2007.

Juanita's passion for education and her commitment to students enriched the lives of many people in our community.

Juanita joined the Pleasanton school system after leaving her job as a probation officer to care for her children.

Although Juanita's efforts won her many awards, it was her ability to inspire others with her passion for learning that truly made a difference.
